HangUps Clothes Swap

When & Where

Taking place in May 2009

Time and place to be announced

Good for your body, mind and closet!

Our clothes swaps are the best way to potentially get a new wardrobe at an unbeatable price. They are also a great way to meet new friends while sharing, recycling, dressing up and having a blast at a unique girls' night out.

How does a HangUps Clothes Swap work?

You bring 20 pieces of clothes, shoes and/or accessories that you haven't worn in ages or likely won't wear again. All items should be clean and in good condition (designer labels are preferred) to ensure great value for all participants. Everyone has a chance to see what's available and try on the pieces they like. Then you swap items and leave with a pile of clothes that you are thrilled to wear. You will also have the satisfaction of knowing that your old favorites have found an appreciative new owner.

How much does it cost to participate?

Admission is only \$50 - an absolute bargain for access to a new wardrobe. You need to bring a minimum of 20 pieces of clothing and/or accessories (includes shoes, purses, jewelry, etc).

Sounds good... but what if I need more incentive?

There will be draws throughout the night for great prizes including gift cards. Want more? How about a **1 in 15 chance at winning a draw for an amazing closet makeover!** Whenever 15 or more women are in attendance, one lucky swapper will finally take control of the clutter by winning a closet consultation and organization session from HangUps. No more feeling like a slave to the mess. No more wasting time deciding what to wear. No more clothes falling off your shelves onto shoes piled on shoes. Just better space. Better organized. Better days. It could be you - don't miss out!

Help yourself to a new wardrobe - and help others

Our clothes swaps let you help those less fortunate - as items that are not swapped or kept are donated to goodwill.

Come out for a great time and fill your closet space with a wardrobe you adore!
